MICE PORTAL

Conductor?

Then you've come to the right place.

FOR BERLIN OR ATTENKIRCHEN (FREISING/MUNICH) WE ARE LOOKING FOR A

DevOps focus on Kubernetes (M/W/D)

(Development / IT Operations)

MICE Portal has significantly influenced and pushed the digitalization of booking meeting & event services online. We offer an intuitive MICE marketplace, always with the needs of our customers in mind. The whole MICE Portal family, especially our developer team is looking forward to your application!

We offer a modern and secure workplace, nice colleagues and a motivated team. We look for a flexible and structured DevOps, who provides professionally and enthusiastically the stability of our applications. We are looking forward to meeting you!

YOU CAN PUT THIS INTO PRACTICE WITH US

- ✓ Development and operation of **Kubernetes** infrastructures (automation, patch management)
- ✓ Development of **container applications** (conversion of existing applications to container-based architectures, image creation with Docker)
- ✓ Extend **system and performance monitoring**
- ✓ Analyzing and Correcting **Errors** in the System Infrastructure
- ✓ Cooperation with our **service providers**

THAT'S WHAT YOU IDEALLY BRING WITH YOU

- ✓ Experience in the Orchestration with Kubernetes (Docker)
- ✓ Knowledge of various monitoring systems like Prometheus, Nagios, Grafana, NewRelic Insights or similar
- ✓ Very good knowledge of basic IT protection (BSI guideline)
- ✓ Automation with Jenkins (Jenkins Pipeline) and Ansible
- ✓ Deep knowledge of Continuous Delivery/ Continuous Integration (CD/CI)
- ✓ Security concepts
- ✓ Safe handling of Git
- ✓ Topology, proxy technology, basic firewall knowledge
- ✓ Experience in at least one scripting language such as Ruby or Python
- ✓ Knowledge of NewRelic, Helm Charts, Linux Administration (Ubuntu or RHEL),

Open to new ideas? Communicative, empathetic and patient?

Then apply now at the MICE Portal and send in your application documents with salary expectation and possible starting date here:

Recruitment Manager
Tel: +49 (0) 8168 99 74 – 1134

- ✓ Database Administration and Monitoring (MySQL, PostgreSQL)
- ✓ You can easily switch from English to German? Bestens!

WHAT COULD INFLUENCE YOUR DECISION FOR US?

- ✓ Do you want to play an active part? With us you can make a difference, your ideas and feedback are very welcome. At MICE Portal you will meet open and dedicated colleagues who are waiting to profit from your experiences
- ✓ Become part of a cool international team. You have the choice between the loft office in the middle of Berlin-Charlottenburg or the relaxed working atmosphere in the country with your own egg supplier and the best bakery around the corner
- ✓ 30 days holiday and our understanding that your work-life balance is our success. Part-time possible
- ✓ A laptop also allows you to be productive in your home office
